**No Guarantee on Plants or Containers:**

There is **NO guarantee on your plants or containers.**

Every effort will be made to ensure your plants and containers are returned in the same condition as when it is received. We will water, fertilize, and provide preventative care just as we do for our own plants in the same facility. If you request, we will prune your plant(s). If they have an existing bug problem when we receive them, we will treat and contact you immediately. This may result in an additional charge. If the problem cannot be resolved we will notify you and give you the option of taking the plant back or we will destroy it. Not all bug issues are solvable and your plants may be returned with some issues

**Storage Cost:**

Plants are measured by height and width, which will determine the amount of space in our facility that will be required.

Seasonal Storage Area Needed:

#1- Minimum 5’ x 5’ area : \$200.00 for 7 months

#2- Each additional square foot: \$8.00 Total number of square feet: \_\_\_\_\_

**Timed pick ups and deliveries will be subject to a extra charge.**
